G-FORCE RACING GEAR Helmets & Accessories

Quality - Innovation - Value
More range of style, more range of size.

These two helmets are Hans® Friendly which come with threaded mounting points installed for use with your helmet restraint device.

PHENOM SFI 41.1/2005 Rating

Our classic open face design in an M2005 rating. A lightweight fiberglass shell reduces weight while the addition of our G-Flow ventilation system to this helmet helps get the heat away from your head. The adjustable visor comes with a tinted visor strip. A comfortable nylon liner covers the G-78 impact liner.

Part No. 3000 M2005 Rated

PRO PHENOM SFI 31.1/2005 Rating

The classic design of the G-FORCE Racing Gear open-face helmet is a vintage favorite. The shell is lightweight to help reduce neck strain for the short runs or daylong events. Our Z38 composite shell reduces driver fatigue by offering lightweight performance while maintaining the classic style. CoolTec liner is fire resistant, hypoallergenic and comfortable on the skin. Kevlar® chinstrap for added reassurance in the event of a fire. Evacuation ducts remove heated air around the top and rear of the driver's head for a great cooling effect.

Part No. 3001 SA2005 Rated Available in Black or White

ELIMINATOR SFI 31.1/2005 Rating

The value conscious racer chooses the G-FORCE Racing Gear Pro Force One. European styled, simple, clean look offers up-to-date styling. The Z38 Kevlar®/Fiberglass composite shell is lightweight for the short runs or daylong events. The G-Flow ventilation system allows fresh air intake and siphons heated air from the driver's helmet for easy evacuation. The comfortable inner liner is made from fire-retardant material that is comfortable to the skin. All full-face helmets come with a SpecFit channel designed into the liner to secure and center the users' eyewear. The helmet is equipped with an optically correct, quick interchange ProFit shield.

Part No. 3003 SA2005 Rated

PRO ELIMINATOR X SFI 31.1/2005 Rating

Take the Pro Force helmet, add the Graphix custom painted style and you have the best value in helmet styling. The G-FORCE Racing Gear Force One Graphix helmet is the most eye catching SA2005 helmet on the market today. Our Yellow/Orange/Red super flame design accents the checkered flag trim for a dramatic custom look and quite simply it just looks FAST. The liner of this helmet is made from our hypoallergenic CoolTec flame-retardant fabric for skin soothing comfort. All full-face G-FORCE Racing Gear helmets come standard with the SpecFit eyeglass channel designed into the liner for the ease of wearing glasses.

Part No. 3005 SA2005 Rated Available in Black, Matte Black or White
